Re: **Transource Missouri, LLC**
Docket No. ER12-2554

Dear Secretary Bose:

On October 2, 2017, pursuant to Addendum 21 of Attachment H of the Southwest Power Pool ("SPP") Open Access Transmission Tariff ("Tariff") and the Federal Energy Regulatory Commission's October 31, 2012 order in the above-referenced docket,[1] Transource Missouri, L.L.C. ("TMO") posted its 2018 Projected Revenue Requirement ("PTRR"). The PTRR is available on the SPP website at: http://sppoasis.spp.org/documents/SWPP/MemberRelatedPostings/MemberRelatedPostings.asp

A copy of this notice of such posting was provided to SPP, SPP customers and the parties in this docket, and to all affected state commissions on October 2, 2017.

Consistent with the Commission Staff's guidance of July 17, 2014, TMO attaches fully functioning Excel spreadsheet files supporting the PTRR.

Thank you for your attention to this informational filing. Please contact the undersigned if you have any questions concerning this filing.

Respectfully submitted,

/s/ Amanda Riggs Conner
